

To gather allies

To discard the unnecessary

What is unnecessary?

What hurts?

What happens when it is all words?
What happens when it is not all words?

to handle and to hold at the same time.

running with wolves while making tea

Connecting with the soul-ar system while cleaning the floor

the dust a dust the dust dust the dust the dust dust dust the dust dust

what is the colour of dust?

Watch it dancing inside the sunrays coming through the window

a friend a tree

a friend my shadow

a friend our friend
