

grief/mourning

state/process

Chagrin?

Denial?

That's all you seem to do

process>>>>>>>>>>PROCESS

Of externalizing an interiorised state>>>>

Now it's time for me to go

(how can you go if there are no witnesses?)

Bargaining/waiting/crying.

depression (

arising from

loss)

Can't ' feel anymore

Your time is going to come (2)

If I am already text and all stories start from the body,
how can it be time for me to go?

when/if I smell the rain?

If my relationship is not with you anymore but with the text- what can the /my/your embodied
experience is/becomes?

Sometimes I grow so tired

The time has come to be gone
